# Seniors Art Students Take on the World with DESTINATIONS

Wayne, NJ – **FOR IMMEDIATE RELEASE** – Each year, senior Communication Arts students of Passaic County Technical Institute (PCTI) participate in a showcase that illustrates their greatest works over the course of their entire high school careers. The theme of 2014's Art Exhibition was DESTINATIONS, a magical journey that transported all who attended the event to the faraway lands of Artlandia (Advertising Art & Design), Graphica (Graphic Arts), and Broadcastia (TV Production). Communication Arts students showcased their creative designs to the hundreds of visitors who filtered through PCTI's media center.

Guests were welcomed by the artists who were eager to discuss their work. The portfolio show truly underscored the dedication of PCTI's graduating seniors.

Thank you to the parents, teachers, staff, family, and friends who attended the show, making the event a huge success!
