PCTI Education Foundation Awards Students with Apple iPads

Wayne, NJ – FOR IMMEDIATE RELEASE – For the last 15 years, Passaic County Technical Institute’s (PCTI) Education Foundation has been dedicated to raising money to reward students for their academic excellence. This year, more than 50 students received scholarships. But that’s not all. Two Tech graduates received a very special gift: Apple iPads to help further their education.

The students were selected from the same pool of those who received scholarships. Briana N. Gilbert, was the first winner. She received \$600 from the Education Foundation and will be attending Kean University in the Fall. The second winner was Denisse Reyes. She received a \$500 scholarship and will attend Seton Hall.

Congratulations to both students. Good luck in your academic futures!
