## PCTI Graduates LPN Class of 2015

**Wayne, NJ – FOR IMMEDIATE RELEASE** – On Thursday August 6th, Passaic County Technical Institute (PCTI) celebrated the commencement of forty-four Licensed Practical Nurses. These graduates and future healthcare professionals hailed from the Day and Evening LPN Programs.

Administrators and guests praised graduates for the diligence necessary to achieve the dream of becoming Licensed Practical Nurses. LPN student, Nicole Louridas, served as the Master of Ceremonies while fellow student, Rita Odumah, presented the Invocation. Commencement Speakers Olga Moran and Roya Siddiq congratulated their classmates on a job well done.

Special awards were distributed on behalf of Passaic County Technical Institute’s Education Foundation. Students were also commended for their academic and clinical excellence in the nursing field and for choosing to enroll in an intensive program dedicated to serving members of their community. In addition, twenty-one students chose to challenge themselves further by taking exams through Rutgers University for college credit.

Friends and family cheered as each graduate processed across the stage. LPN Coordinator Noreen Frodella (RN, BSN BC) and fellow instructors presented graduates with pins and diplomas. Congratulations to PCTI’s LPN graduates of the Class of 2015!

**LPN graduates light their candles during the graduation ceremony, signifying becoming a light in the dark and caring for all their future patients.**
